Dear Mr. Segelnick,

We are pleased to inform you that American High School achieved its accreditation on February 2, 2011. Your school is accredited by the Southern Association of Colleges and Schools Council on Accreditation and School Improvement (SACS CASI) an accreditation division of AdvancED. The accreditation term is for five years, expiring June 30, 2016.

In the near future, American High School will receive the official AdvancED/SACS CASI accreditation certificate. You will also receive a letter of accreditation outlining the next steps and time-lines for documenting progress in the accreditation protocol that align with the accreditation status of your school.

Congratulations on your school's accomplishment. You are welcome to contact me with further questions.
